

September 1, 2017

Colleagues:

ISU ADVANCE is offering a wonderful opportunity for associate professors that are planning on going up for full professor in the near future:

**Pathways to Promotion**

September 15, 2017

10 am – 11:20 am

Oak Room, Memorial Union

Light refreshments will be provided

Presenters

- Beate Schmittmann, Professor of Physics and Astronomy, and Dean of the College of Liberal Arts and Sciences
- Catherine L. Kling, Charles F. Curtiss Distinguished Professor in Agriculture and Life Sciences, and President's Chair in Environmental Economics
- James T. Andrews, Professor of History, and Chair of the Promotion & Tenure Committee at the College of Liberal Arts and Sciences
- Julia Badenhope, Professor of Landscape Architecture, and Chair of the Promotion & Tenure Committee at the College of Design

Participants are requested to RSVP by Sept 11 at [this link](#).

The workshop will talk about preparing all components of faculty's position responsibilities in their portfolios and highlight the different paths the panelists took to meeting the requirements of advancement to full professor. There will be time for a question and answer session. The intended audience is associate professors across all colleges.

We encourage you to share this with your department chairs that can then distribute it to associate professors. Thanks for your assistance. I really appreciate it.

Warmly,

Lisa Larson  
Professor in Psychology  
ADVANCE Fellow
